

Shell Essentials Winter Screenwash ready to use -20°C

Formulation code: CRX838

Description & Advantages

Shell Essentials Winter Screenwash is a cleaning agent whose main ingredient are Ethanol, detergents, demineralised water, dye, fragrance.

Shell Essentials Winter Screenwash fluid is designed to spray the windscreen and reflectors while driving, in winter conditions. Quickly dissolves ice, removes dust and road sediment, dirt, salt and oil. Product composition designed to reduce the effect of fluid re-freezing when used on very cold surfaces. Safe for all car parts.

Usage

Shell Essentials Winter Screenwash is ready to use. Pour into screenwash reservoir.

Properties

Physical state	Liquid
Colour	Blue
Odour:	Perfumed
Density at 20°C (kg/m ³)	0,96
Boiling point	85°C
Melting point	-20°C
pH value	6.5
Flash point	28°C
Auto Ignition temperature	> 180°C
Miscibility with water	soluble in all proportions

Stability & Storage

Product is stable for at least 4 years if stored in original container in a cool, dry, well-ventilated place (< 35°C) away from sunlight. Do not smoke in storage place. Avoid steel containers (except stainless steel).

Safety

Product is classified as hazardous according to EC CLP regulations. For details, see Safety Data Sheet. A safety data sheet compliant with applicable regulations is available. UN number: UN 1170.

Date of issue: 03.07.2024
