

## Shell Winter Screenwash concentrate

Formulation code: CRX864, CRX864p

---

### Description & Advantages

Screenwash is cleaning agent containing Ethanol as the main ingredient, detergents, demineralised water, dye, fragrance.

Screenwash fluid is designed to spray the windscreen and reflectors while driving, in winter conditions. Quickly dissolves ice, removes dust and road sediment, dirt, salt and oil. Product composition designed to reduce the effect of fluid re-freezing when used on very cold surfaces. Safe for all car parts.

### Usage

Screenwash concentrate dilute with water before pouring into screenwash reservoir. No Higher concentration recommended due to possible reflexes on the windscreen. To obtain a ready to use product with freezing protection -19°C, dilute the concentrate with water in volume ratio 1:1.
